## AWARDS 2018

## KYIV FILM COMMISSION

was

founded in March 2018. Despite the short period of existence, we have already participated in about 20 projects most of which were foreign, and provided comprehensive support to more than 25 UEFA official broadcasters shooting crews in May 2018, in Kyiv. Our main mission is the support of foreign production companies that are looking for qualified locations and service partners within the industry in Kyiv and to promote Kyiv and Ukraine worldwide as a location for filming.

## OUR SERVICES

- Provision of information about rules and regulations of filming in Kyiv.
- Assistance in establishing contact with local professionals and potential partners for foreign companies.
- Assistance and support of documents' preparation for obtaining shooting permission.
- Provision of on-demand effective and professional location scouting with local location managers.
- Problem-solving at every stage of production.
